## BOOK SYNOPSIS

The relationship expert from the Ladies Home Journal, the Wall Street Journal, and Lifetime Television shows how to prevent marriage problems before they start. There's nothing wrong with starter jobs and starter homes, but starter marriages? Relationship expert Monica Mendez Leahy is on a mission to help readers make their marriage last. Her 1,001 Questions to Ask Before You Get Married offers a reality check for couples on the marriage path, helping them realize how much they have yet to discover about their partners nature, thought processes, lifestyle, and marital expectations. Engaged couples learn to discuss issues deeper than "chicken or fish" and to broach subjects that are often ignored before the nuptials yet essential for the foundation of an intimate, long-lasting relationship. Posed in a variety of fun formats, including multiple choice, fill-in-the-blank, and hypotheticals, these questions include topics such as: "Does your partner feel that you're too attached to your parents?" "Is there such a thing as innocent flirting?" "Is it OK to cheat on your taxes?" And more.
