## BOOK SYNOPSIS

"This book fills an important gap for Odoo users. Ursas work to document best practices for Accounting will help companies gain accurate and complete results."-- Fabien Pinckaers

A foundational piece of any successful Odoo implementation is configuring and running the Accounting module. Financial Accounting with Odoo takes the mystery out of this critical aspect by detailing topics such as initial setup, inventory and manufacturing accounting, daily and periodic operations, and reporting. Financial Accounting with Odoo provides a step by step approach, starting with initial system setup and continuing through closing and reporting procedures. Following this approach, readers learn to configure Odoo ERP to produce accurate and complete results. Readers will learn how to operate their Odoo ERP system with confidence and reliability. For years, Odoo users have focused on building their business, while enjoying the freedom that Odoo ERP offers. Independence and lower costs are just two of many benefits that come with this Open Source, Enterprise grade ERP system. Odoo is unique in this market space, and its users are poised for growth and unmatched competitive advantage.
