BOOK SYNOPSIS

The New York Times bestselling author of *Little Beach Street Bakery* and *Christmas at the Cupcake Café* returns with a new novel—a modern day retelling of the classic story *Seven Brides for Seven Brothers*—perfect for fans of Meg Donohue, Elin Hilderbrand, and Sophie Kinsella. A London girl-about-town returns to her family's farm on a small Scottish island following her mother's death. Her father and her four brothers remain, and it's up to them to run the farm. But as she soon discovers, they aren't quite up to the task, and need all the help they can get. Leaving behind a bustling, high-stakes life in the city, our heroine builds a life for herself in her hometown, opening a café using the local produce of the region. And romance isn't far behind... *The Café by the Sea* is a delightful summer time romp that puts a modern twist on the classic *Seven Brides for Seven Brothers* story.
