## BOOK SYNOPSIS

A cutting-edge model for 21st century curriculum and instruction Looking for that one transformative moment when a student's eyes light up, signaling he or she has finally grasped that big idea behind critical academic content? Concept-based curriculum and instruction is a way to make those moments many. H. Lynn Erickson and Lois Lanning offer new insight on: How to design and implement concept-based curriculum and instruction across all subjects and grade levels Why content and process are two equally important aspects of any effective concept-based curriculum How to ensure students develop the all-important skill of synergistic thinking
